THE CROSSROADS JOBS NEWSLETTER

We get to know the person, not just the resume!

Recent Graduate Profile

Michael moved to the area from Michigan after having trouble finding work there to support himself and his teenage son. He came to Crossroads Jobs to get some help sprucing up his resume and completing online applications. Fortunately, a part time position opened at a local nonprofit we partner with on a regular basis. They needed someone with excellent customer service skills to receive and organize donations. Michael fit the bill! We are continuing to work with him to find a second job. Housing is a challenge in Loudoun County - he currently rents a room, but he's hoping to be able to afford an apartment with two jobs! His positive outlook and excellent work ethic are inspiring!

GiveChoose on **Tuesday, MARCH 28th**

Please mark your calendars for **GiveChoose**, the local, 24-hour online giving campaign. This is a great way to give to area nonprofits. You can read more about our program at:

<https://www.givechoose.org/nonprofits/CrossroadsJobs>

We are thrilled to share that we have a **\$7,000** match for the event. Current board members have pledged up to \$2,000 and a former board member has pledged up to \$5,000.

This means you can double your donation, **up to \$7,000**. Our goal for the day is \$15,000. We would love your support!

2023 MISSION update

We have 30 new applicants this year and have 10 placements to date with several interviews pending. Our numbers increased significantly last year, and this year is looking much the same. Last year finished strong with 77 placements!

We have been busy this year, doing presentations at various organizations, including the Loudoun County Homeless Services Center, Good Shepherd of Northern VA, the Loudoun Adult Detention Center, as well as various LCPS High Schools, Job Fairs and Resource Fairs. We are always trying our best to spread the word about our program to job seekers and local employers.
